    - viii. Full access to the database of active job seekers
    - ix. Full access to practitioner profiles
    - x. Full access to practitioner contact details

### 3. Admin:

- a. How do we know they have hired?

Ans. The status is shown in the status section of practitioners details table.

- b. In practitioners – what do listed, hired and pending mean?

Ans. Hired - the practitioner has been hired by either ADMIN or Hotel.

Listed – the practitioner has been approved by the admin but not hired yet.

Pending – this means the practitioner has not been approved by the Admin.

Questions to Client:

1. **Subscription – can we change this here? ->** what does this mean
2. **Hired button just for practitioners to complete – and name of hotel. This updates admin page? ->** Not clear
3. **Area to upload qualifications. ->** In which format

4. **Keep areas they want to work but not in hotel search ?** -> not clear
5. **No blue colour/cloud design on log in.** -> do we need to remove this or want this in the login page.
